

The background of the entire page is a dark, textured surface. It is decorated with numerous diagonal stripes in a variety of colors including green, yellow, orange, red, and blue. In the upper left quadrant, there is a stylized graphic of an American flag, featuring a series of horizontal stripes in green, yellow, and orange, and a blue field with white stars. The word "FALCON" is printed in a bold, sans-serif font, tilted at an angle, and appears to be embossed or metallic.

I LOVE YOU MOM AND DAD

I know sometimes, I'm not always the best kid I could be.
But I do try. When I'm never at home, always at practice, or just "out".
And then I complain that I'm tired. I can understand why you'd think
"They don't care." I do though. You see, that's why I work so hard.
In school, sports, and everything. Even though I don't act like it, none of that other stuff really makes
any difference to me. All that matters is that I make you proud. I want you to be proud of me.
To sit in the stands and say "Hey, that's my kid!"
I know it doesn't always work out that way. There are a lot of things that don't always work out
the way I'd planned. Believe me, when you won't let me go to "The Party", sure I'm mad. But deep
down, I know you only do it for one reason — Because you love me. I might forget for awhile, but
I'll eventually remember. Here's something for you to remember.
I only want you to be proud, I do care, and I love you!

SENIORS TO PARENTS

Mom and Dad,

For as long as I can remember, you were always by my side to give me support, confidence, and to give me help.

I've always looked up to you. You are everything parents should be.

You've always provided love in our family. Whatever I become, it's because of you.

Thank you for everything.

I love you!!
Lonnie

Mom and Dad,

Thanks for the last 18 years. You have always been great parents even when I wasn't such a great son.

I love you both!

Darin

Mom and Dad,

Well, we really don't know where to start. You two have been the greatest through the years! When we've had our ups and downs you stood beside us and put everything aside to help us through those hard times.

We were always bragging on you and telling others how we were so proud to have you as our parents.

Always remember WE LOVE YOU!! And we want to thank you for the last 18 years — we will never forget them!!

We love you!
Your twins,
Renee & Rita

Dear Mom and Dad,

Thanks for everything. You've done a lot.

Love always,
Roger

Dear Mom,

Thanks for the last 18 years. It may not have been the easiest, but it was the best.

Love you always,
Rebecca

Mom and Dad,

Everything's coming to an end for me here at DR-M. And I want you to know that if it wasn't for your support and love, I wouldn't be here. I want you to know that I love you and thank you for that.

Tammy

Mom and Dad,

Thanks for putting up with me for the last 18 years.

Jason

Mom and Dad,

Whenever times got hard and I needed you, you were there for me. You've helped me through tough times and were with me through the good.

I love you both,
Amy

Mom and Dad,

Thanks for being such great parents! I really appreciate all the love and support you've given me.

Love always,
Kelly

Mom and Dad,

The last 18 years have been anything but easy. But through the good times and the bad, you supported me and stood by me in everything I tried. You allowed me to make my own mistakes and to learn and grow from first-hand experience. Thanks!

I wouldn't trade you for anything. Thanks for being such great parents!

I love you always,
Richelle

Mom and Dad,

I know life hasn't been easy the last few years and it's not over yet. You have raised me to the best of your ability. Now is the test of life. I feel that you have done a good job in teaching me the ways of life. I think because of you two, I'll do just fine.

I love you,
Pat

Mom and Dad,

Thanks so much for all of the love and support you've given me in the last 18 years. It takes very special people to be able to give so much and expect so little in return.

Thanks for your patience and understanding in the last few months of this year. Mom, I know the tears you wiped seemed endless, but you helped me to come out of it a stronger person.

I love you both very much!

Love always,
Bobbie

Dear Mom and Dad,

The last few years have been tough but you tried to guide me in the right direction. We've been through good and bad, thick and thin. Thanks for your patience, your love, and your understanding.

Love,
Garry

Mom and Dad,

You are more than just my parents, you are also my two best friends. I don't know what it will be like next year without you. Thanks for everything. I love you!

Rhonda

Mom and Dad,

I want to thank you for these years you have helped me. I hope I wasn't too much trouble for you. Thanks for everything.

Love,
Mike

Mom and Dad,

I hope you have enjoyed watching me grow over the years. I am glad to have parents like you. I love you both. I hope you will always be there for me and remember I will always be here for you.

Love,
Angela
(George)

Mom and Dad,

I know I haven't been the easiest person to live with these past 18 years, but you have always stood beside me when I was in trouble or needed help.

I will always cherish the advice and lessons you have taught me. I know I will succeed in life because I have the most wonderful parents in the world, and even if I don't show it all the time, remember, I love you.

Love,
Peggy Sue

Mom and Dad,

Thanks for the last 18 years.

Love,
Mark

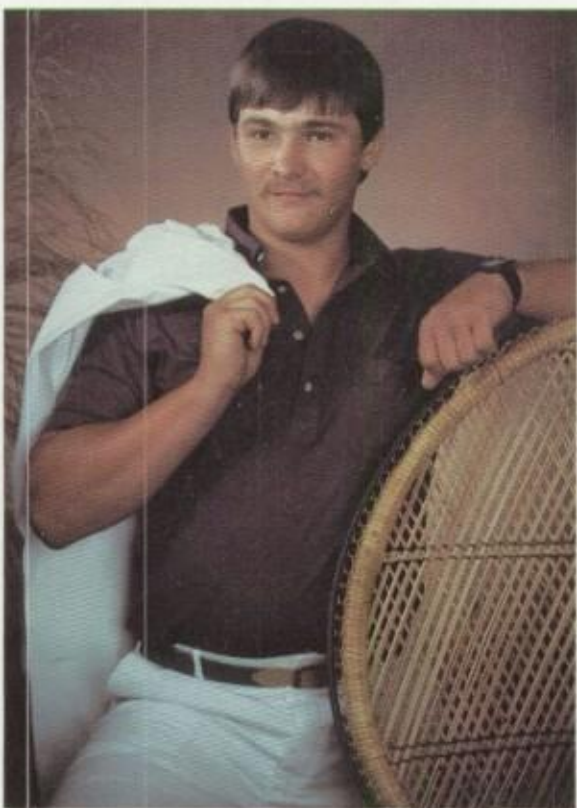

Mom and Dad,

I know that the last 18 years haven't been easy, especially through the trying times when we all were going through a lot of pain. I just want to say thanks for being there and putting up with me!

SENIOR CLASS TRIP

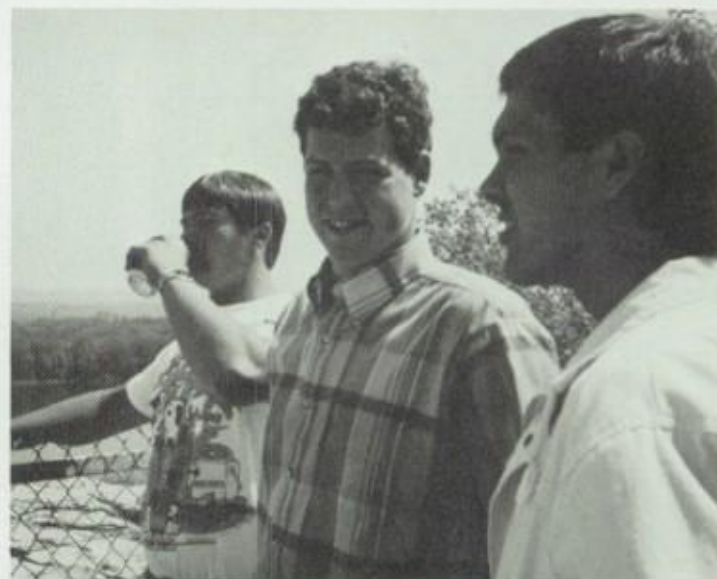

On May 5, 1988, 18 sleepy but anxious seniors departed from Millersburg headed for Missouri.

Their first stop was made in Hannibal at the Mark Twain Caves. From there they journeyed to St. Louis where the rest of their trip took place.

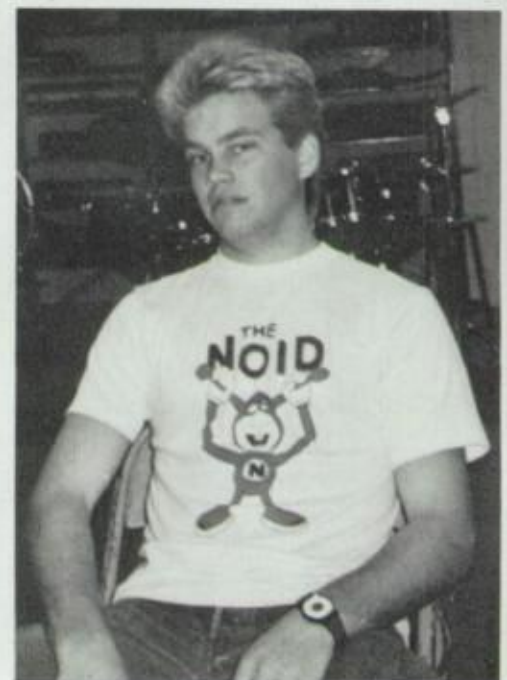

They visited the St. Louis Zoo, the Robert E. Lee Dinner Theatre, the Arch, Anheuser Busch Brewery, the Spaghetti Factory, Six Flags, the Old Cathedral, and Courthouse. They also enjoyed watching two Cardinal baseball games.

All of the seniors had a great time and would like to thank Gwen Cumberland and Ric Gerard for reluctantly being our sponsors.

JUNIOR HIGH

An abstract geometric composition featuring a series of thin black lines that converge towards a vanishing point at the bottom center, creating a strong sense of perspective. The lines form a grid-like structure that recedes into the distance. Overlaid on this grid is the text "JUNIOR HIGH" in a bold, black, sans-serif font. The text is positioned horizontally across the middle of the image, appearing to sit on a surface that recedes into the distance. The overall effect is one of depth and architectural structure.

NEWS . . .

These were the headlines: the newsmakers of 1987 and 1988. The scandals, the victories, the defeats, the fears, the events, the people, the time, the losses; all examples of news that touched our lives in one way or another. Whether the news occurred far, far away or close to home, it shall be a part of our history forever; something to talk about in future generations. News . . . some informed us of special events; some told of triumphant moments, while others challenged our reasoning and understanding. News . . . some we rejoiced with; some we feared!

News . . . These **are the** remnants from our past. We can choose to learn from these experiences, from these headlines, or we can choose to ignore them. Look to the news to grasp current happenings, for life does not stand still. News . . . evidence that we have lived and another year has quickly passed us by.

PROM 1988

Cari Wonderlich
Mistress of Ceremonies

Angela Meyer
Senior Class President

Donnette Long
Guest Speaker

The 1988 Junior-Senior Banquet and Prom was held at the Amana Holiday Inn for the second year straight. The evening began on Saturday, April 23, 1988, at 7:00 with a family-style meal. Next on the agenda was the program followed by a dance from 9:00-12:00.

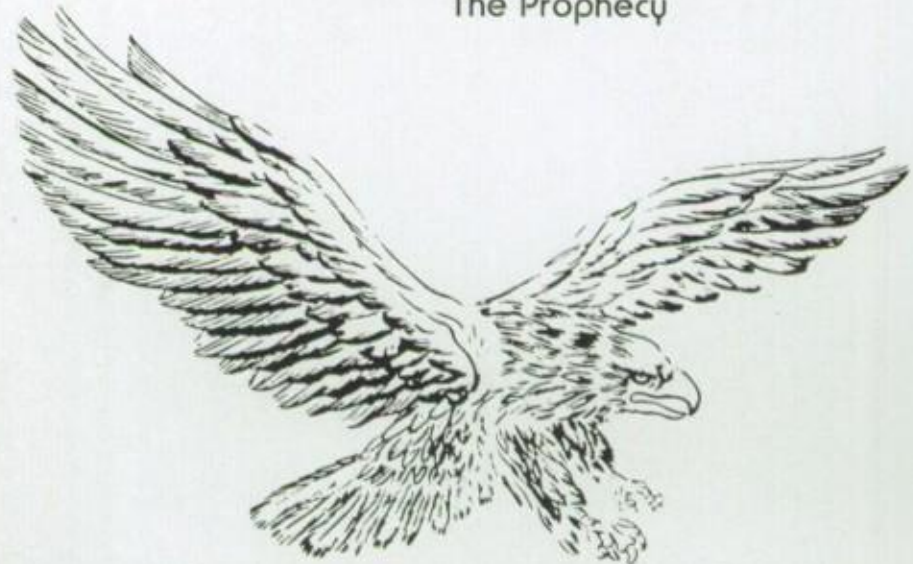

This year's theme was "These are the Best of Times" and the souvenirs were: keychains, program booklets, glasses and a candle in a glass. The juniors formed various committees in preparation for the prom: prophecy, program and decorating.

Mistress of Ceremonies was Junior Class President Cari Wonderlich who welcomed the seniors, juniors, board members, faculty and spouses. The Senior Class Will was read by Pat Worrall, Rita Hanchett and Lonnie George. The juniors prepared the prophecy which was read by Theresa Lacina and Danny Grimm, and the program committee presented a little bit of humor which was presented by Heather Hopwood and Tami Johnson.

It was an enjoyable evening for everyone as the band "Hootch Hounds" provide the music to conclude the evening. We especially hope that the Class of 1988 will find that it was a memorable evening for them.

LA FIESTA

On January 18, the DR-M Spanish classes hosted a Spanish Night for family and friends. After enjoying a snack of nachos, cheese, and a variety of Mexican dips, the audience was entertained with several Spanish skits. The group of more than 200 people participated in a game of Spanish bingo and some of the smaller children received a chance to break a candy-filled pinata.

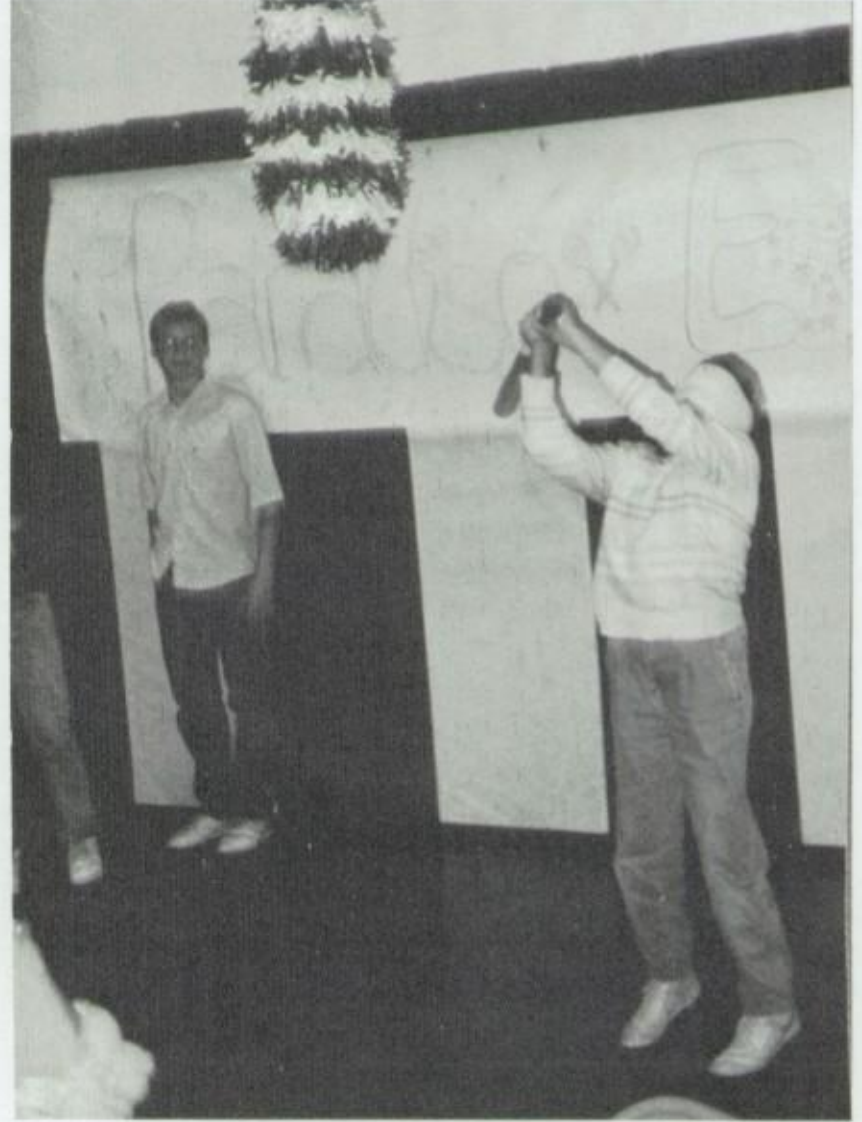

LA FIESTA DE ESPAÑOL

Let's discuss this rationally.

EXTRA STRENGTH.

Our B6200HST now comes with extra strength under the hood. The liquid-cooled, 3-cylinder diesel engine provides 15 horsepower.

At the same time, we've increased hydraulic capacity to make this hard working Kubota even better.

A hydrostatic transmission is also standard equipment for easy shifting from forward to reverse. And you have a choice of 2- or 4-wheel drive.

A 3-point hitch plus 2-speed live mid and rear PTO outlets give you the versatility to handle any kind of implement.

See all the strong points of the Kubota B6200HST soon.

CONGRATS, MARY

To my little girl,
Sometimes mom's and dad's forget to say thank
you - thank you for being you Mary Lou.

Remember all I've tried to teach you as you
go on your own. But most of all - remember I'm
here when you need me, even if all you need is
a hug.

Love you always, Mom

ANGELA,

We really love you more than you know,
And you make us so proud, but we don't always tell you so.
Now as you graduate and are ready to live your own life, too,
These thoughts we wish to leave with you.

We gave you lessons how things are to be done
And you stood for that just so long.
Then you did things in your own way, one by one.
So, we'll try to preach no more what's right; what's wrong.

But here's one more gift we give with grace.
That gift we give with love is . . . space.
Space to ask, to learn, to know.
Space to fall flat on your face, to pick yourself up and to grow.
You see, loving you is also knowing when it's time to . . . "let go."

May God always guide your steps through your future.

Love forever,
MOM and DAD
Danielle and Monica

RENEE & RITA

We wish only the best for you

are always here if you need
us.
